HOW TO CHEAT AND NOT GET CAUGHT!

OPP – other people's pussy – is the only way to play for these guys

I am very happily married. I climb up onto my wife and give her a screwing about three times a week. I have two great kids, a relatively good job, a home and generally speaking, a good life. But that's when I'm home.

Away from home I've got this fantastic 25-year-old chick (I'll call her Debi) who absolutely adores me, even though I am 16 years older than she is. She loves to get down with me for a little conversation and a lot of hot fuck-and-suck action.

I've been seeing Debi regularly for about a year, since she start working at the same place I do. Before her there was another, and before her there was someone else, and before her, still another. In fact, I've been fucking a whole slew of cute little pussies for the last 10 years and haven't gotten caught—or gotten enough—yet. In fact, my wife, who is no dummy,

doesn't even suspect that I fuck around.

Some people call it cheating; I call it doing my own thing. Like that commercial once said, "You go around only once and you've got to grab all the gusto you can!"

A lot of guys who screw around eventually get caught one way or another. If you are truly interested in doing your own thing, you can get away with it forever. It all depends on how you do it. A lot of dudes get caught because they want to get caught, so to speak; they feel guilty as hell about what they are doing.

My buddy Frank, for example, fits into this category. Here is a guy who talked about strange pussy for 10 years before he got up the nerve to do anything. One day while jogging he met this real hottie. Frank sure as hell is not a great looker, but there is something sexy

about him this girl liked. When he came onto her, she took him up on a good fucking deal.

At first he backed off slightly. He couldn't do anything the morning they met, he told her, because he'd be late for the office. But they made a date for later that day.

Then he got into a regular thing; almost every morning he was out getting pussy. But he got caught because he was stupid. Rather than throwing on his running clothes and leaving the house unshaven, as he normally did, the son-of-a-bitch started showering, shaving, and putting on cologne before he went jogging. Obviously it didn't take his wife very long to figure out what he was up to and to put a stop to it. Talking with him about it later, I discovered he was actually glad he'd gotten caught.

Then there's my buddy John.

He'd messed around now and then throughout his married life, grabbing some ass here and there. But this jerk always fell in love with the chick he was banging, he enjoyed it so much. He also tipped his wife off to what was happening because the more involved he got with another chick, the less attention he paid his wife back home. And when he was fuck his hot young thing, he didn't give it to his wife from one month to the next.

Another type who always gets caught is the ignorant dude who claims to be happily married and having a good sex life with his wife. Anyway, there's an old saying that pigs get fed and hogs

cock into.

After doing this for a while, Jerry gave his wife an STD. He explained that one away somehow. Then she caught a minor skin infection from him. That too was explained away. Finally she caught herpes, and walked out.

All these things are possibilities when you fuck around, but if you take a few precautions and handle yourself well, you can nail pussy for years to come and still enjoy a good relationship with your wife.

I've been successful because I know how to choose the right chick. Assuming that you are

work is the wrong one to mess with, bro. Sure as you're reading this, you'll fall in love. You'll want to spend more time with her. You'll be jealous as hell if she goes out with anyone else. Stay away; you don't need the headache. If you want to break up your marriage, then go ahead. But don't do it that way. Just leave and find someone; it will cause less hurt to everyone.

I know enough to stay away from those chicks that are 'smarter' than my wife. If you start having really fine conversations with your chippie on the side and then have to go home to a dummy, once again it will break things up.

And I know better than to pick them too young, even though those perky, youthful tits sure look tempting. Younger guys tend to fuck around more than older dudes like myself, in their 30s and 40s. This means your chance of catching something and bringing it home increases dramatically; but of course, it all depends on who you score with.

Take it from me: a married woman is your best bet, followed by a single chick that is going with someone else. And the last choice is someone who's not going out with anyone. But you always have to be careful. Chances are, even if she is not seeing anyone, every once in a while someone might give her a dose of something that you in turn will give to your wife. I keep stressing this because if you bring home something there are no two ways about what you've been doing.

I lay it on the line when I get involved with someone. Don't let them think you have other inten-

get slaughtered. An acquaintance named Jerry, for example, I'd put in the category of a hog. He'd fuck anything coming down the pike. It didn't matter to him as long as she had a hole he could plunge his

happy at home and are not really looking for someone new to live with, there are chicks you can get it on with and those you cannot.

First of all, that hot chick at

simply there for the picking, if you really want it.

Wendy was my first affair. I wasn't really thinking about doing it until it was there almost staring me in the face, as I stood staring back at those red-nipped boobs just straining to get out of that uniform. There are a lot of eating places around work places, so go get yourself a cute honey bun and go to town on her.

I don't score all the time, but I do have my fun and I like to make sure the woman I choose does too. Anyway, I began going into this particular restaurant and sitting in Wendy's section. After a few days we began greeting each other and finally I told her my name and asked what hers was.

"My name is Wendy," she replied.

"Well, Wendy," I said in a flirting tone, "what's a nice-looking girl like you doing in a place like this?"

She just laughed and told me she was an on-again, off-again student, and she was working her way through, as well as working her ass off. "Well, Wendy. How'd you like to get your ass fucked off, for a change," I blurted out. Startled off her balance, she spilled a glass of ice water down my half-open shirt and into my hot and hard lap. "You'd better cool off, buddy," she said, after regaining her composure.

Then she took everything in a good-natured way, but I nev-

er acted like I was coming on to Wendy again for quite a while. We became friends quickly, and exchanged pleasant conversa-

tion, every day I went to the restaurant.

The real breakthrough came after about six weeks of this. Does that seem like a long time to you? What the hell else do you have to do at lunchtime, jerk off in the men's room? Besides, I'd seen other guys try to come onto her at lunch and she just froze them out.

Anyway, this one lunch hour when she came to take my order and say hello, she was in a rather excited state. She had signed up for a dance class at a local college, but had no way to get there and was waiting for a friend to call who might be able to give her a ride.

Guess who volunteered to give her a ride? Not only that, I waited

while she registered, took her to dinner and then took her home—and I didn't lay a hand on her! What's the matter with me, didn't I

want to get laid? Yes I did. In fact, at that point I wanted to get laid so bad that I didn't want to blow it by coming on too quickly. She realized I wasn't one of those hogs I referred to earlier.

The conversation picked up substantially at lunch—as much time as she could spare. Sometimes I gave her a ride to school after work, while on my way home. The crucial night occurred one weekend when my wife and kids were going to visit her parents about 150 miles away.

Wendy and I were familiar enough with each other by then so I could tell her at lunch that I'd like to meet her after class and take her to dinner. She agreed. We had a lovely dinner, and when we got back to her apartment she in-

vited me in for a drink. One drink turned into another and another. Finally it was about midnight.

Rather than coming on directly, I told her I should go. I put on my coat and as we walked to the door I put my arm around her in a friendly way. As I reached the door I turned to say good night. I bent over slightly to give her a peck on the cheek but instead, she turned her head and we met lip to lip.

Then we embraced and she plunged her tongue into my mouth as did I. The kisses got hotter and more passionate at the door. I tried

foam at the mouth just to look at it, and huge tits. Even with her tight, white waitress uniform on, you could always see Wendy's thick bulging nipples showing through. I took my time and acted like I didn't notice because I wanted this chick bad. And tonight, all of my hard work was paying off. All the other jerks that came onto her at lunch were probably at home watching TV and thinking about jerking off. I was there with smokin' hot Wendy.

At this point I'd been married for years without doing anything and suddenly I was there with this

She reached down and began to rub my thickening cock. I slipped off her moist panties, which revealed a smoothly shaved pussy and already so juicy that a wet bead was forming on her pussylips... That was a night to remember.

I saw Wendy many more times for about the next year and a half. She finally met a guy like me who didn't instantly start drooling just looking at her, and she married him. But all during that time we must have fucked three or four times a week. And I also did my wife a minimum of three times a week. It may be cheating, it surely would have pissed my wife off, but everyone sure was happy with my newfound energy.

I didn't get caught with Wendy or with anyone else because I always went with the flow. I didn't take Wendy out to dinner when my wife was sitting at home waiting for me; I didn't do anything stupid. I saw Wendy in the morning before work; I saw her on the way home. Often, in the evening, I had to make a trip to the supermarket to pick up a few things. On Saturday afternoons I always had errands to run and normally on Sunday I went out for a run.

to peel my coat off with one hand and she helped me. We headed right for the bedroom and started peeled each other's clothes off.

I purposely didn't describe what Wendy looked like earlier because you would have thought I was jerk for taking so long. Wendy was about 5'5" with very long brown hair, freckles; she had an ass that would make a normal guy

voluptuous young woman. I got down to her bra and my hands were literally shaking as I tried to unlatch it. She laughed and helped me, revealing about the most beautiful set of titties I'd ever seen before or since. Her breasts hung seductively for their weight, and she had nipples the size of my thumb. I laid her out on her bed and began sucking on those red-hot nipples.

By the way, guys, until Wendy I didn't do any running or anything athletic at all. But by meeting her and being with her, it somehow renewed my youth and got me interested in lots of things, mainly "strange" pussy. Some may call what I do cheating. I call it living. You too can be the real you and not get caught at it, if you follow my advice.

BROOKLYN

Brooklyn's only been teaching for a short time, but she already has a reputation as the class to take. With such a delicious figure it's hard to pay attention during class, and with so many failing students, she has regular meetings with the principal. They don't talk for long though. They usually spend the hour moaning, sweating and cumming.

A person is lying on their back on a light-colored couch. They are wearing a red, fishnet-style bodysuit with lace trim. Their legs are bent and spread apart. In the background, there is a large, abstract painting with green, blue, and brown tones. The overall scene is intimate and sensual.

SWINGING PICNIC

It was the first picnic of the year, which meant it was with our best friends, Mark and Nora. Mark has been my best friend going back to college, and Nora and my wife, Toni, go back even further than that. Maybe all those years finally caught up with us.

We went all out with brisket and beer, and we sat out on the patio well into the night. We probably all had too much to drink by the time Toni got up to go the bathroom, Nora going with her.

They came back, arm in arm, with Toni's top now down over her shoulders. She stumbled over and landed in Mark's lap. At first, there was silence around the table as we all tried to figure out what just happened and what we thought of it. Nora, biting her lip and with a glance across the table at Mark, suddenly then leaned in and kissed me hard.

As we started to make out, the tension started sliding away. Nora moved around to sit on my lap as across the table, Mark helped Toni out of her shirt. I never wanted to ask, but I swear in that moment, Toni and Nora looked at each other and winked. And then, Nora was grinding over my tight jeans, and I found I didn't seem to care that they had maybe somehow planned this moment. It was up to me to enjoy it, and that was what I intended to do.

I glanced over and saw Mark helping Toni up onto the large backyard table, leaning over and making out with her perky chest. Nora picked up her pace and moves, starting to swirl one way then the other, making my pants

somewhat uncomfortable. I helped her up and lay her on the other side of the table, and quickly Toni and Nora started making out, each laying back with their legs over the side, spread and ready.

Mark gave me one last look, his dick already out of his pants and ready to go. I shrugged and nodded to the girls making out in front of us. He held out a fist and we bumped as I got out of my pants and both of us slid ourselves into each other's wives.

Nora seemed to hunger for me, thrusting up to meet me each time, letting me slide all the way out, and devouring once again. There was a fierceness in her eyes when she looked at me that I hadn't expected or seen before. It only made me increase my efforts. Below me, she played with her hard nipples, showing off her smooth, dark features. I was dizzy with pleasure and kept pounding while looking over to my wife.

While I was pounding Nora, Mark was going slow and easy with Toni, ensuring that every little motion would be felt. He was attentive, leaning down to make out with her chest. In between, Nora leaned over and pulled Toni in closer, making out again. Both seemed to have a passion and desire over each other that only drove Mark and I more.

It was only a matter of time before I exploded inside Nora, her moans and even dance showing how eagerly she accepted it. And

I WAS DIZZY WITH PLEASURE AND KEPT POUNDING WHILE LOOKING OVER TO MY WIFE.

a second later, Mark's grunt indicated he'd done the same. I looked over at him in both shock and amazement as we bumped fists again. But the girls weren't done. As we pulled out and backed away, they twisted and turned so that their faces were in each other's crotch, and they started to tongue their ways inside.

My dick almost exploded again to see my wife licking my juice out of another woman's seeded vagina. It was crazy to see, and they did it so normally, and with so much intensity that all I could do was start jacking off again as I watched.

None of us got much sleep that night, but we decided that we need to have picnics far more often.

MY BROTHER'S WEDDING

My little brother recently got married. It wasn't an easy wedding by any stretch. We all had to fly across the country to get there, and then half of the things that could go wrong did. But, in the end, it worked out, and I got to meet the maid of honor, Sophia.

She's been my new sister-in-law's best friend for years, but we all know how weddings are, and Sophia sort of found herself outside catching some air and needing a break from the festivities. I offered to hear her out, and it didn't take long before we were both badmouthing the bride and groom.

It was nice to be able to escape for a while, and even when we returned to the wedding, I found that I was gravitating towards my new friend in dances, with snacks, and, in one case, on a bathroom run. When she mentioned that the ladies' room had a long line, I offered my hotel room, which was just a couple floors up. She didn't seem like she needed to think about it too long and in a few minutes, we were entering my room. Sophia asked me to unzip her dress, which revealed a slender, smooth figure across her back, fair skinned, with no sign of any bra strap or tan line. I turned around and headed into the main room, doing my best to hide my surprise.

When she emerged from the bathroom, I couldn't hide anything anymore. Her dress was laid across one arm, exposing her deceptively large boobs and a thin black thong that barely managed to hold anything. I asked her if she needed my help to zip up, and she replied by tearing at my shirt to pull it off, her dress quickly dropped to the floor.

I didn't hesitate to join in and felt my chest heating up as she tore at me. As soon as it was

free, she dragged her fingernails through my hair. I couldn't exactly place Sophia's passion, but it felt good, so I really didn't care that much, rather going with it as fast as I could. I pulled her back onto the bed with me and rolled over so we were both on our sides. I looked into her eyes with a playful, wicked smirk before leaning in with a soft kiss.

She returned the kiss but didn't linger on it; That wasn't what she was there for. Sophia scratched at my chest and body, fingers dragging lower toward my tented pants. It didn't take much encouragement, and she nearly ripped them off to free my thick dick. Yet, the moment it was released, she was scarfing it down, choking herself in a desire to have my meat as far down her throat as possible.

She was already sending me over the edge, and it actually didn't take long for me to spray the back of her mouth with my juice. I groaned with pleasure, even as I was angered at finishing so quickly.

Except, she wasn't finished. Even as Sophia milked everything she could out of me, she continued to flick at my slit and play with my balls, all with no intention of letting me go. Finally, she pulled herself up so that my dick was in her cleavage, and she started jacking me off with her boobs. I barely lost any hardness and yet I felt like I had much more in me.

I moved quickly, flipping around so that Sophia was laying back on the bed and I leaned in, taking the thin thong in my teeth and pulling it down to reveal her wet pussy staring back at me.

I took it in for a second before leaning in and letting my tongue invade her, twisting and twirling, looking for anything that would make her scream and squirm. Even then, she made clear what she really wanted, and she spread

FINALLY, SHE PULLED HERSELF UP SO THAT MY DICK WAS IN HER CLEAVAGE.

her legs wide and let out a low moan as I stood up to slide my still tender dick deep inside. That was where I got the first scream, and she didn't stop. Each thick pulse, each pull, each thrust sent her into another storm of shouts and moans. It didn't take much as she drove me right to my limit and unloaded a second round deep inside. I collapsed on top of her, slowly making out as both of us drifted off to sleep, no longer worried about any wedding.
